

## Week 9 – 18.11.22

### English Home Learning

This week, the children have been writing their stories and editing them. Homework is based on our spelling rule this week and reminding ourselves about capital letters and full-stops as these base blocks of sentence structure tend to be missed when writing at length!

**CGP English GPS Targeted Question Book** – pages 86 and 87 (spelling) and page 36 (cap.letters etc)

**Spelling – Words to learn from this week’s spelling focus** – words ending in -fer and a vowel suffix. **In Set B, make sure you listen to the -fer sound. If it is stressed then you double the ‘r’.** Remember, at school, highlight these words spelt correctly with a highlighter in your books and you will achieve positive points!

SET A		SET B	
offer	transfer	referee	preferring
suffer	differ	difference	conference
prefer	refer	transferral	referral

\*Make sure you look up the meanings of any words you don’t know.

### Maths Home Learning

This week has been focused on both short and long division. It is probably the trickiest method to master but the children are trying hard to grasp it and we are well on our way. This week I have set both short and long division practice which we will continue to drop into Maths lessons next week. I’ve included a video on the method the children have been learning for additional help.

Please complete the following pages from your maths book:

**CGP Arithmetic Book – SHORT DIVISION pages 24 and 25**

**CGP Arithmetic Book – LONG DIVISION pages 26 and 27**
