

Week 12 - 9.12.22

English Home Learning

We have started learning about news reports and the key features this week. For home-learning, this week I'd like the children to complete the following pages from their GPS book which will act as a reminder to punctuate precisely when writing speech in an article.

CGP English GPS Targeted Question Book - pages 37, 38 and 39.

We will be practising and performing our class poem next week both to audience and there will be a recording on our class page. Please continue to learn this off by heart, ready for our performance.

*Make sure you look up the meanings of any words you don't know.

Maths Home Learning

This week, we have continued to focus on equivalent fractions, using our knowledge to compare and order them.

Please complete the following page from your maths book:

CGP Maths Targeted Question Book - Ordering Fractions - page 19

For those of you who want extra practice, try some of the activities by clicking the title link below:
