

## Spring Week 4 - 27.1.23

### English Home Learning

This week, I've chosen some pages that you can practise as a reminder.

Please have a go at the following:

**English Grammar, Punctuation and Spelling Year 6 Targeted Question Book** – page 10 (determiners) and pages 52 and 54 (apostrophes for missing letters)

### Spellings

This week's focus has been on the suffixes -cious and -tious. Please learn either Set A or Set B (or both).

SET A	
spacious	gracious
delicious	infectious
vicious	precious

SET B	
unconscious	ferocious
tenacious	malicious
cautiously	repetitious

\*Make sure you look up the meanings of any words you don't know.

### Maths Home Learning

This week, we have started to do our early Spring Term tests and will be completing them next week. For this week's maths home-learning, I have photocopied an example arithmetic paper for you to have a go at. This will help prepare you for the test which I am aiming to do on Tuesday/Wednesday. I have added a link to the test below in case you are not here to receive the paper copy. I will run through anything you are unsure of on Monday so come armed with your questions.
