

pring Week 5 - 3.2.23

English Home Learning

This week, we have been learning about different verb tenses - both identifying and using them in our spoken and written language.

Please have a go at the following:

English Grammar, Punctuation and Spelling Year 6 Targeted Question Book – pages 19, 20 and 21

Spellings

This week's focus has been words which can be used as verbs and nouns. Please learn the words below. The challenge this week is to write sentences in which the word is used both as a verb (doing/action) and also as a noun (a thing).

E.g. My dad works at a shop where he sells **produce** from local farms. (noun)

Last week, I had to **produce** a painting for a new art gallery. (verb)

produce

impact

transport

silence

permit

object

contest

subject

increase

freeze

Maths Home Learning

This week, we have started to delve more into the world of decimals, starting with knowing the value of the digits and decimal/fraction equivalents. Please have a go at the work below. There are 3 different levels so you can choose your level of challenge. I've also included a game for you to practise fraction/decimal equivalents and the interactive place value and counters grid that we have used in class.
