

**Lapwing Class Home Learning**  
**13<sup>th</sup> October 2023**

Thank you for supporting your child's learning at home!

**Essential Skills**

- **Reading**

Please continue to read at home this week. We are aiming for a goal of having everyone in Lapwing reading at least 5 times each week!

Library books can be exchanged when read, although is not expected that a child will finish reading their library book every week, particularly if they have chosen a challenging or longer text.

Reading at home should be recorded in reading records, which can be brought into school everyday as children will be heard read throughout the week and we need to record that in their reading records. We have ordered new reading records and each child will get one when they arrive.

- **Times Tables**

Please practise with Times Tables Rock Stars this week.

In class we will be practising our times tables regularly but the more the children practise their times tables the more confident they will become.

If you do not have access to TTRS please let me know and I can provide log in details or alternative options.

- **Spellings**

This week we have been looking at spelling a range of words that use the prefix 'inter' meaning 'between' or 'among'.

There will be a short test of these spellings next Thursday.

Please encourage your children to practise their spellings every day.

This week's spelling words are:

Can you think of any more words with the prefix 'inter'?

## Added Extra 😊

### English

We have been writing our own stories over the last few weeks and illustrating others in art. Why not make a storyboard for your favourite story? It could be the story you wrote in English or illustrated in art, or you could choose your favourite book.

Storyboards are used in the making of films, games and television programmes. You need to draw pictures of the main events that happen in the part of the book you've chosen and add captions underneath each picture to describe what is happening.
