If the QR code in your child's Home Learning book is not working, please use this guide to login.

Step 1: Go to <https://www.spellingshed.com/en-gb/>.

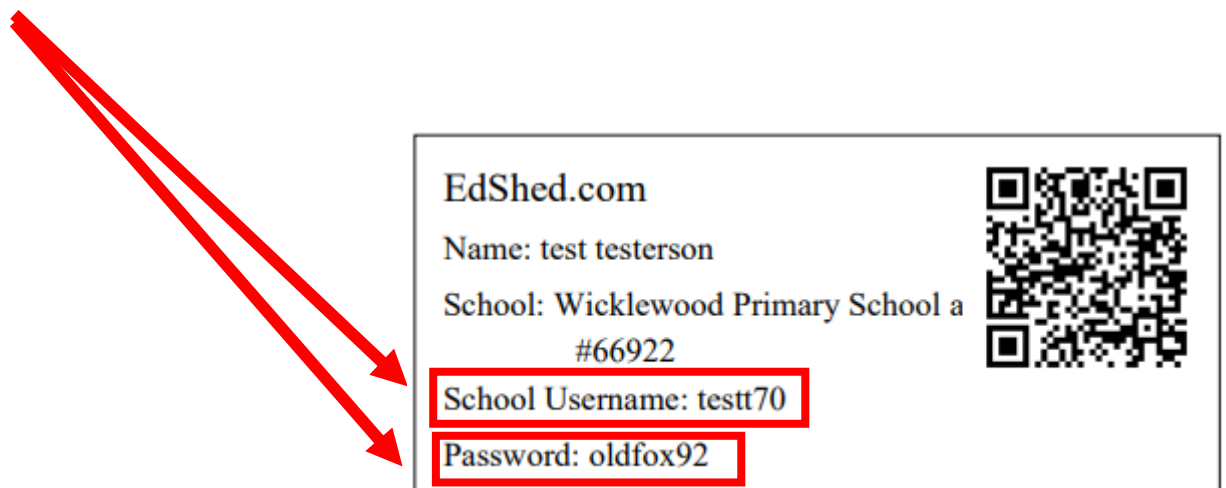

Step 2: Make sure to click on the **School Username** tab before filling in your details.

The screenshot shows the 'Sign In' page on the Spelling Shed website. At the top right, there is a 'QR Sign In' button. Below it, there are two tabs: 'Global Username / Email' and 'School Username'. A red arrow points from the text above to the 'School Username' tab, which is highlighted with a red border. Below the tabs are three input fields: 'School (search by name, id or postcode)' with a search icon and placeholder text 'e.g. Example Primary School, 87432, or LN12 4XZ'; 'School Username' with an information icon and placeholder text 'e.g. APeterson32'; and 'Password' with placeholder text 'Your password' and a visibility toggle icon. A yellow 'Sign In >' button is located at the bottom right.

Step 3: Type the full name of the school (Wicklewood Primary School and Nursery) into the first box.

Step 4: Type the school username and password, then click Sign In.
