Thank you for your patience this week with our change to the INSET day because of the power cut!

Greenfinch had their Maths Cafe this week and it was lovely to see lots of family members working hard on problem-solving together with the pupils.

Thank you to everyone who dressed up or contributed to Children in Need this year, we raised nearly £200 thanks to your generosity!

A reminder that we're looking forward to celebrating Christmas at Wymondham Abbey at 6:30 on the 12th December. There will be carols from all year groups as well as other musical contributions, please come along.

Staff Update

From January, there will be two changes to the teaching staff. Sadly, as Year 3 families are now aware, Miss Hinton will be leaving us and a new member of staff, Mr Jenkins will be the teacher in Greenfinch class. We will of course wish Miss Hinton a proper farewell at Christmas time.

In Wren, Mr Garlinge will teach on Thursdays and Fridays and Mrs Langley will teach from Monday to Wednesday.

Notices and Reminders

- We are very lucky to have a large car park, please park considerately and please do not park in front of the school. Contractors are due to repair any potholes soon, so please exercise caution in the meantime!
- Jon Hood is no longer patrolling the road in front of the school. We are hugely grateful to him for his sterling service with his lollipop over the years! The council are responsible for finding a replacement but please be careful crossing near the bend and warn any older pupils who walk without adults to take care.
- The new federation governing board will hold their first full meeting this week. They are currently completing a newsletter to introduce themselves and supply federation news.
- If you are interested in volunteering in school in any capacity, please email the school office. We are always happy to have people hear children reading, help with clubs or support the Friends.

Thank you!
