

Friday 13th October - Home Learning

English/History Home Learning

This week the children have been finishing their story and completing reading and Spelling, Grammar and Punctuation tests. So instead of setting pages to complete this week, I have chosen one of our poems from the Y6 poetry spine for the children to read in preparation for next week. We will be learning this poem to perform off by heart after half term.

For home-learning, please read and discuss the poem. Find out the meanings of words you are unsure of. We will then discuss these in class.

High Flight

by John Gillespie Magee

Oh! I have slipped the surly bonds of Earth
And danced the skies on laughter-silvered wings;
Sunward I've climbed, and joined the tumbling mirth
Of sun-split clouds, – and done a hundred things
You have not dreamed of – wheeled and soared and swung
High in the sunlit silence. Hov'ring there,
I've chased the shouting wind along, and flung
My eager craft through footless halls of air...

Up, up the long, delirious burning blue
I've topped the wind-swept heights with easy grace
Where never lark, or ever eagle flew –
And, while with silent, lifting mind I've trod
The high untrespassed sanctity of space,
Put out my hand, and touched the face of God.

Reading

Please continue to add to your personal reading miles by reading every day and recording it in your reading diary. Remember this really does help improve your writing and vocabulary knowledge 😊.

Spelling

This week, the children are still focusing on tricky challenge words. I've listed the 10 below that they have learnt with Miss Leverett. She will now be testing the children on these every Friday.

This week's words				
amateur	category	correspond	environment	frequently
language	occur	queue	signature	twelfth

Maths Home Learning

This week has been focused on testing, however the children do need to keep practising the Times tables and using these in calculations. Please complete the following pages:

[CGP KS2 Maths Arithmetic Book – pages 18-19](#)
