

Friday 17th November – Home Learning

English Home Learning

This week, the children have started to learn a WW2 news article off by heart using symbols. At the start of this unit, they have been learning about how to write orientation opening paragraphs using both active and passive voice. Please complete the following pages below. I have also included a video link to active/passive voice for your information.

Reading

Please continue to add to your personal reading miles by reading every day and recording it in your reading diary. Remember this really does help improve your writing and vocabulary knowledge 😊 .

Spelling

This week, the children have still been focusing on tricky challenge words. I've listed the 10 below that they have learnt with Miss Leverett. She will test the children on these words next Friday.

This week's words				
attached	community	desperate	excellent	hindrance
mischievous	physical	restaurant	sufficient	yacht

Maths Home Learning

The big focus this week has been on long division with a lesson on BODMAS towards the end of the week . The children are getting there but do need lots of practice beyond this week to ensure the method is committed to their long-term memory. Please have a go at the following pages and feel free to make up multiplications and divisions to practise daily. I've also included a video link for those of you who need a reminder or help with long division yourselves 😊 .
