

# Friday 24<sup>th</sup> November – Home Learning

## English Home Learning

This week, the children are continuing to focus on our WW2 news article. They have been hot-seated people from an event and interviewed each other as if they are reporters on the scene. From this, the children have been writing both direct and reported speech. Please complete the following pages below on punctuating speech correctly. Extra work is attached about speech, should you want further practice.

## Reading

Please continue to add to your personal reading miles by reading every day and recording it in your reading diary. Remember this really does help improve your writing and vocabulary knowledge 😊 .

## Spelling

This spelling pattern this week has been words where there is a y that sounds like a short i. I've listed the 10 below that they have learnt with Miss Leverett. She will test the children on these words next Friday.

This week's words				
rhythm	system	antonym	symbol	mystery
lyrics	oxygen	symptom	typical	crystal

## Maths Home Learning

The focus this week has been on problem-solving using the four operations. We encourage the children to use visual diagrams like bars as well as abstract methods especially when they cannot immediately identify the operations required ( $x \div + -$ )
