

Friday 1st December – Home Learning

English Home Learning

This week, we've been continuing to learn about the features of a news article and have been trying out writing in journalistic style using sensationalism and parentheses. Next week, we will be writing a class report which we planned together on Thursday. Please complete the following pages below all about punctuation for extra information (parenthesis).

CGP Grammar, Punctuation and Spelling Year 6 book – pages 44 and 45 (commas), page 48 (brackets) and page 49 (dashes).

Reading

Please continue to add to your personal reading miles by reading every day and recording it in your reading diary. Remember this really does help improve your writing and vocabulary knowledge 😊 .

Spelling

This spelling pattern this week has been words where there is a y that sounds like a long i. I've listed the 10 below that they have learnt with Miss Leverett. She will test the children on these words next Friday.

This week's words				
rhyme	occupy	apply	hyphen	hygiene
python	supply	identify	multiply	recycle

Maths Home Learning

The focus this week has been multiplying/dividing by 10,100, 1000 and then on fractions where we have been recapping and adding to knowledge learnt in Y5. The children know both how to visually draw bars to compare fractions and the abstract method of finding the common denominator. In the learning resources tab on the class page, I've added a video link for help and there is a Fickle Fractions challenge below for those of you who want to delve deeper 😊

CGP Arithmetic Year 6 book – page 32 and 33

CGP Targeted Maths Question book – pages 18 and 19

[Fickle Fractions - Challenges](#) (link is in learning resources!)

Have a good weekend everybody and see you all on Monday!

Miss Carr 😊
