

Dasher's Determiners

Dasher has been asked to round up all the determiners and put them in the paddock. Help him by using your lasso to circle the **possessive determiners** in each sentence.

Remember, possessive determiners explain who the noun belongs to – they demonstrate possession! The first one has been done for you.

1. The reindeer were in the stable, eating their food.
2. "Where is my belt?" Father Christmas asked.
3. Holly, an elf skilled in embroidery, put her apron on before starting to make toys.
4. Rudolph used his red nose to guide the sleigh.
5. Is this your mistletoe?
6. "Are these our presents?" asked the children.

Now it's your turn! Write three sentences of your own using some of the possessive determiners from the sentences above. Underline the possessive determiner in each sentence.
