

# Friday 16<sup>th</sup> February – Home Learning

## English Home Learning

This week, we've been writing our innovated meeting tales. For home-learning this week, it would be good if you could do the following pages as a recap:

CGP - GPS-Targeted Question book – pages 8 & 9 (synonyms and antonyms)

Pages 60 & 61 (Semi-colons)

## Reading

Please continue to add to your personal reading miles by reading every day and recording it in your reading diary. This week, I have given you some chapters of our class book to read so that we will hopefully finish the book together by the end of term. The link to this is below.

## Spellings

## Spelling

Spelling this week has focused on unstressed vowels in words. I've listed the 10 below that they have learnt with Miss Leverett. She will test the children on these words next Friday.

## Maths Home Learning

The focus this week has been on converting between measures. Please have a go at the following pages. I've also included some mixed problem pages so that you can practise your calculation skills from earlier in the year/term.

CGP Targeted Maths Question book – page 56 & 57

CGP Arithmetic Book – 28, 29, 38, 39, 48, 49

**Have a good mini-break everybody. Fingers crossed the sun shines and you can enjoy the fresh air!**
