

Lapwing Class Home Learning 1st March 2024

Essential Skills

- Reading
- Times Tables
- Spellings

Reading

Please continue to read at home this week. We are aiming for a goal of having everyone in Lapwing reading at least 5 times each week!

Library books can be exchanged when read, although it is not expected that a child will finish reading their library book every week, particularly if they have chosen a challenging or longer text.

Reading at home should be recorded in reading records, which can be brought into school everyday as children will be heard read throughout the week and we need to record that in their reading records. We have ordered new reading records and each child will get one when they arrive.

Times Tables

Please practice Times table rockstars this week. Children should have a gig to complete this week.

In class we will be practicing our times tables regularly but the more the children practice their times tables the more confident they will become.

If you do not have access to TTRS please let me know and I can provide log in details or alternative options.

Spellings

Please find below (and on Spelling Shed), this week's spellings to practise at home. There will be a short test of these spellings next Thursday. I have differentiated spellings this week so some children will have different spellings than others so to find out which set of spellings your child should be practicing please look on Spelling Shed.

Please encourage your children to practice their spellings every day.

Computing

In computing we have been looking at data collection. Why not make table and record data on what people have for breakfast in your house? Or how long everyone spends in the shower? Or choose a data selection question of your own.

Art

In art next week we will be looking at collage. If you are able to bring in any old newspapers or magazines that we can cut up to make our own collage that would be greatly appreciated.
